## DART DEVELOPMENT steps up to the tee for Habitat for Humanity of Greater Ingham County

**Lansing, Michigan, August 3, 2009:** Dart Development Group is proud to be the **Title Sponsor** of the second annual Habitat for Humanity of Greater Ingham County's, **Building Hope Golf Scramble**. "Over the past two years we have become more aware of the needs throughout the region and this is one way we can support local efforts," said Marsha Zimmerman, Marketing Manager for Dart Development Group.

The event's momentum has continued to grow with over 60 golfers registered so far, with a goal to raise \$10,000. Last year the scramble hosted 46 golfers and raised nearly \$4,000. "With a typical Habitat House costing \$60,000, in just materials, the Habitat Board felt confident in the community's desire to help fellow citizens and increased our goal to 100 golfers," said Karl Griffin, Board Vice President. This year's donations will allow completion of the Leslie House rehabilitation and commence the Mason House. The proceeds from last year's scramble assisted in the completion of the home build in Williamston.
