DART DEVELOPMENT GROUP BUSINESS SUCCESS STORIES CONTINUE

Dart Development Spotlights Transcorr National Logistics

Lansing, Michigan, March 11, 2010 – Dart Development Group, a leader in Michigan real estate development and business growth, has selected its second *Dart Development Difference-Maker* honoree for its *Dart Development Difference* Campaign. Dart Development is drawing attention to select Michigan businesses that are making a Difference in the state's economy and local communities. Dart is sponsoring a live radio interview of the honoree on the Michael Patrick Shiels Show, broadcast on MI Talk Network, locally at 1240am, and on Fox-47 TV. This month's *Dart Development Difference-Maker*, Transcorr National Logistics, was chosen for its proactive business spirit in a competitive economy.

"Michigander's are a special breed....we're competitive, entrepreneurial and driven. It's that spirit that helped our state lead this country for so many years, and it's that same attitude that is the backbone behind this month's Dart Development Difference Maker. Transcorr has embraced that spirit by taking proactive steps to stay ahead of market trends and boasting a culture that demands competition, camaraderie and good faith....it's a company where all efforts are rewarded and team accomplishments are celebrated. As Transcorr continues to grow, their commitment to the spirit and principals that built our great state is helping to lay the foundation for a new Michigan," related Marsha Zimmerman, Marketing Manager of Dart Development Group.

Gordy Ferguson, Director of Sales, and Brian Jones, Director of Operations, started Transcorr National Logistics in March of 2000. By the end of 2000, they had a staff of about 10, and now they employ just over 100 people, with projections of over 200 on staff by year-end. With over 16,000 partners across the US and Canada, the phones at their Grandville offices ring over 2,000 times a day with requests for moving freight.

Dart Development Group values the Difference that sets successful businesses apart from the rest. The Difference with Dart Development means greater flexibility in working with business partners and tenants, proven experience in developing and leasing quality business space, and successful delivery of custom space that fits the needs of today's businesses. Throughout each month, listeners of the Michael Patrick Shiels Show will hear additional Dart Development Group highlights of companies in Michigan that are making the *Dart Development Difference*. Nominations for the *Dart Development Difference-Maker* are welcome and may be submitted at www.dartdevelopment.com.
