DART DEVELOPMENT GROUP PROMOTING MI BUSINESS SUCCESS STORIES

Dart Development Spotlights Wieland-Davco

Lansing, Michigan, January 27, 2010 – Dart Development Group, a leader in Michigan real estate development and business growth, is kicking off 2010 with its *Dart Development Difference* Campaign. Each month, Dart Development plans to draw attention to a select Michigan business that is making a Difference in the state's economy and local communities. Dart is sponsoring a live radio interview of the awardee on the Michael Patrick Shiels Show, broadcast on MI Talk Network, locally at 1240am, and on Fox-47 TV. This month's *Dart Development Difference-Maker* is the Wieland-Davco Corporation, chosen for its savvy business growth in a challenging economy.

"We selected Wieland-Davco as our first Dart Development Difference-Maker because of their commitment to our region and our state. They responded to the scarcity of work in Michigan by expanding their operations, opening regional offices in Orlando, Florida; Shreveport, Louisiana; and Montreal, Quebec. By expanding, Wieland-Davco's home base in Michigan is successfully staying in business and continuing its support of Michigan's re-growth," explained Marsha Zimmerman, Marketing Manager of Dart Development Group.

Wieland-Davco is an ISO 9001:2000 certified construction company with national headquarters in Lansing. Since their start in construction in 1958, they have expanded to provide construction management, general contractor, and design/building services.

Dart Development Group values the Difference that sets successful businesses apart from the rest. The Difference with Dart Development means greater flexibility in working with business partners and tenants, proven experience in developing and leasing quality business space, and successful delivery of custom space that fits the needs of today's businesses. Throughout each month, listeners of the Michael Patrick Shiels Show will hear additional Dart Development Group highlights of companies in Michigan that are making the *Dart Development Difference*. Nominations for the *Dart Development Difference-Maker* are welcome and may be submitted at www.dartdevelopment.com.
