Press Release

DIFFERENCE MAKER HONORED BY DART DEVELOPMENT GROUP

Dart Development Spotlights ASK, Inc.

Lansing, Michigan, April 5, 2010 – The arrival of spring brings refreshing change and new growth. Change and growth are also key business elements in making a difference in today's business world. The *Dart Development Difference* Campaign seeks and recognizes those businesses that are driving economic development in our state and local communities. Each *Difference-Maker* is featured in a live radio interview on the Michael Patrick Shiels Show, broadcast on MI Talk Network, locally at 1240am, and on Fox-47 TV. April's *Dart Development Difference-Maker*, ASK, Inc., was chosen for its continued expansion and growth in a lean economy.

At a time when other businesses have cut back, ASK, Inc. has expanded its staff and its computer/IT market with new products and services. They have doubled their staff in the past 6 years in order to meet customer demand. "ASK is Making a Difference in the region's economy, adding new jobs to employ Michigan residents and adding new products and services to support Michigan businesses," said Marsha Zimmerman, Marketing Manager of Dart Development Group.

ASK is a leading provider of technical solutions in the Midwest. Value services are key to their business success, including a completely unique form of an IT support package, an affordable flat rate "all you can eat program" called ASK Total Care. ASK's customer service values are reflected in their motto, "We take the hassle out of technology so that you can run your business." In addition to their up-to-the-minute proficiency in the computer/IT industries, ASK also invests in the community, giving back through multiple charitable programs.

Dart Development Group values the Difference that sets successful businesses apart from the rest. The Difference with Dart Development means greater flexibility in working with business partners and tenants, proven experience in developing and leasing quality business space, and successful delivery of custom space that fits the needs of today's businesses. Throughout each month, listeners of the Michael Patrick Shiels Show will hear additional Dart Development Group highlights of companies in Michigan that are making the *Dart Development Difference*. Nominations for the *Dart Development Difference-Maker* are welcome and may be submitted at www.dartdevelopment.com.

Dart Development Group

Dart Development owns and manages business parks in Michigan, California, and Florida. The parks offer office and warehouse options as well as build to suit to lease options. Michigan's Wixom Business Center and Oakwood Executive Park are State Certified Business Parks conveniently located near major highways and centrally located in the Midwest business corridor. For details on park features and land available for development visit: www.dartdevelopment.com
